

Quality features and specifications...

QUALITY CONSTRUCTION

- 2" x 6" Wood frame Exterior walls
- 8' Ceiling height on main and second floor (some portions of ceilings may be higher in some homes)
- Poured concrete basement walls, structurally reinforced with steel
- 36" x 24" pour in place, high efficiency, maintenance-free, white vinyl slider basement windows as per plans (walkout lots may not be pour in place).
- Basement exterior walls coated and wrapped with superior waterproofing membrane with weeping tile below
- 5/8" Tongue and groove OSB subfloors screwed to joists for strength and reduction of floor squeaks.
- All insulated exterior walls sheathed with an extruded insulation panel system to reduce thermal bridging and air infiltration from occurring at walls and floors.
- Exterior walls insulated to R-25, heavy attic insulation to R40 and basement walls R12 to minimum of 6" above basement floor as per building code (blanket type insulation to reduce thermal bridging).
- All ductwork in garage walls and entire garage ceilings (with living space above) insulated to R31 using high density spray foam.
- Entire home building envelope sealed with 6 mil poly vapour barrier for your comfort.

EXTERIOR FINISHING DETAILS

- Architecturally controlled exterior elevations to provide long lasting community aesthetics
- Clay brick on main floor as per plans (some plans include natural stone on front elevation)
- Long-life maintenance-free vinyl siding and aluminum soffit, fascia and eaves troughs.
- 30 year self-sealing roof shingles
- All Windows are superior quality high-efficiency Low E Argon, gas filled maintenance-free vinyl clad windows. Front elevation to be casement style windows with colonial grills (some panes may be fixed casements). Screens provided on all operating windows and patio doors. Taupe coloured vinyl windows on front elevation.
- Dent resistant fiberglass insulated front entry door with dead-bolt lock and passage knob (finished in factory taupe colour). All exterior door frames are capped in maintenance-free aluminum.
- Premium quality R-8 insulated maintenance free Carriage Style sectional roll-up garage door pre-finished in taupe
- Coach light and/or pot light at front door and patio light at rear door
- Each lot fully sodded & graded to municipal requirements.
- Full basecoat driveway paving included (to be completed after closing to allow time for the driveway to settle).
- Purchasers receive a complimentary certificate for exterior window cleaning on closing
- Front porch is poured concrete with pre-cast concrete steps. All other steps at the rear or sides of home are the responsibility of the purchaser and entries shall be barricaded if 24" above grade
- Pre-cast concrete slab walkway from driveway to front steps
- Front porch railings are installed if required by finished grade. If required, railing to be maintenance-free aluminum. Colour and style pre-selected by Builder
- All exposed foundation surfaces parged

INTERIOR FINISHING DETAILS

- Assistance is provided to enhance your colour selection process.
- Oak railing in natural clear finish as per plan
- Classique interior door styles with 4" Colonial baseboard and 2 3/4" Colonial casing, all half-walls are capped and trimmed, satin chrome interior hardware on doors.
- California texture ceilings. Bathrooms and standard closet ceilings are smooth finish
- European white interior wall paint with white doors & trim
- 36 oz quality brand-name carpet with 10 mm 4lb foam under pad to be selected from Builders samples
- Imported ceramic tile in foyer, kitchen, dinette, bathroom, main and/or second floor laundry (as per plan) to be selected from Builders samples
- Dent resistant fiberglass insulated door from garage to home with dead bolt lock and passage knob as per plan (if grade permits). If grade does not permit a door from garage to home, a garage door opener with keyless entry pad will be provided instead.
- Overhead light fixtures to be installed in each room except for Great/Family room which includes a switch receptacle instead. Energy savings compact fluorescent light bulbs in all compatible fixtures.
- Ventilated wire shelving in all clothes closets and four (4) shelves in each linen closet
